DATE OF INFO.		25X1X	SUPPLEMENT TO REPORT NO.
A government order for the reconstruction for the sea police of the barracks installation in Dwasieden near Sassnitz on Ruegen Island was issued on 24 September 1952. The branch office in Stralsund of the VEB Bergungsbetrieb (salvage corporation) in Berlin received order to remove the debris from the barracks area.			
	Comment. The plan for the reconstruction of the barracks installation in Dwasieden for the sea police is related to the transfer to the sea police of the Cassnitz harbor. Information on the construction of a PT boat basin in the Cassnitz harbor was previously submitted.
